Muriel Heslop is back!

In a highly anticipated world premiere, the iconic Australian film is set to become a big brash and very cheeky new musical. Featuring an incredible soundtrack of addictive new songs by award-winning singer-songwriters Kate Miller-Heidke and Keir Nuttall, and beloved ABBA hits, plus a big cast and live band, this will be the theatre event of the year

In this highly-anticipated world premiere, the iconic Australian film is set to become an equally iconic laugh-out-loud musical. Stuck in a dead-end life in Porpoise Spit, Muriel dreams of the perfect wedding – the white dress, the church, the attention. Unfortunately, there’s one thing missing. A groom. Following her dreams to Sydney, Muriel ends up with everything she ever wanted – a man, a fortune and a million Twitter followers. That’s when things start to go really wrong. The film’s original writer-director PJ Hogan has updated his screenplay into a dazzling new stage show, bringing the story into the present but keeping all the irreverence and naughtiness of the film along with its dark edge.
