Dolphin Watch Cruise

Two hour cruising the beautiful water of Nelson Bay viewing the local bottlenose dolphins. The cruise will also take us around beautiful Port Stephens to favourite dolphin watching locations. Morning tea (endless tea and coffee, scones with jam and cream, banana/chocolate cake slices and fruit cake) will be served.

Port Stephens Winery & Murray's Brewery :

In addition to their own quality, locally grown wines, Port Stephens Winery also showcase boutique wines from small independently owned Australian wineries. Port Stephens Winery is the original local winery established in 1984. There is a variety of local estate grown wines available for your tasting, from traditional varieties and blended wines including their award winning dessert wine. The winery cellar door, boutique wine centre and café facilities are nestled in the shade of beautiful Australian gum trees and surrounded by the vineyard responsible for producing the fine quality local wines.

Murray's Brewery is the region's only working brewery. The brewery is 100% Australian owned craft beer business. Established in late 2006 by passionate craft beer enthusiast, Murray Howe, Murray's Ales With Attitude are brewed at Port Stephens and available across Australia. The beers are unconventional, often unique, always full flavoured and many are recognized as among the best in the class. The Brewery shares its home with Port Stephens Winery – the peninsula's oldest and most successful vineyard. Both the winery and the brewery are set on 35 acres of natural bushland and lush vineyards.

We will first have wine/beer tasting in the Cellar Door, followed by a casual lunch served in the pavilion. This will consist of a selection of platters (eg. Gourmet pizza, beer battered chips, salt and people squid, tea/coffee and cake).

Following lunch we will be taken on a guided brewery tour with a guide.

Medowie Macadamias:

We will be taken on a small farm tour of Medowie Macadamias Plantation. There is a small shop situated on the farm that allows visitors the opportunity to purchase a variety of fine Macadamia Products while relaxing and enjoying the tranquil atmosphere of the Macadamia Plantation.

Afternoon tea will be served at the conclusion of the farm tour.
