

ALL MY SONS

This November, Sydney's exciting new theatre destination will open its doors with Arthur Miller's celebrated modern classic, **All My Sons**.

The Eternity Playhouse is a 126 year old former Baptist Church in Darlinghurst currently being restored and renovated by the City of Sydney into a new state-of-the-art theatre and home for Darlinghurst Theatre Company. Opening 1 November, **All My Sons** is the perfect show to introduce this beautiful and iconic theatre to Sydney theatre-goers.

All My Sons is one of the most celebrated plays of the 20th century and catapulted Arthur Miller into the ranks of America's greatest playwrights. Set in post-World-War II America, it tells the story of an all-American family torn apart by a shameful secret. When Joe Keller places the prosperity of his family above the lives of others, there are devastating consequences for all. Marshall Napier leads a stellar cast in this compelling and heartbreaking story about family ties, patriotic duty and personal greed.
