Following its triumphant season in London's West End, the acclaimed revival of Andrew Lloyd Webber's legendary musical is set to have audience purring with pleasure when it comes to Sydney.

The 2015 Olivier Award-nominated production, which reunited the original creative team and brought CATS back to the West End after a 12 year absence, received outstanding reviews from critics and bloggers alike, extending its London season due to overwhelming public demand. Based on T.S.Eliot's Old Possum's Book of Practical Cats, the show is alive with highly entertaining feline characters and wonderful witty verse, as the Jellicle Cats come out to play in a larger-than-life junkyard on the night of the Jellicle Ball.
