ORANGE MOUNTAIN WINERY - wine tasting:

Out of all the Orange wineries, Orange Mountain Wines has been considered to be one of the most innovative. The grape variety Viognier is the cornerstone of the wines they produce. Viognier was first planted at their Manildra vineyard in 1999. It is a very old grape variety from the Rhone Valley, France, that was almost extinct as recently as 30 years ago. They are one of the few Orange Wineries who have successfully shown Viognier as a straight varietal, a co-fermented blend with Shiraz and as an ice wine style dessert wine. They also produce wines from Chardonnay, Pinot Noir, Merlot, Cabernet Sauvignon and Shiraz grapes, Liqueurs from apples and cherries and Verjus (a non-alcoholic cooking product), that is a perfect substitute to vinegar or even lemon juice in many dishes and summer salads.

LITHGOW WORKERS CLUB :

A small meal and tea/coffee will be served.

The Workies offers quality dining in comfort, with something for everyone. Whether it's a lunchtime snack, or a hearty meal for the whole family, you will find your appetite satisfied at the Bistro, Cino's Cafe or Skewers. They offer good food, fast, to suit the needs of travellers and busy locals alike, and also provide the relaxed atmosphere for family and friends to enjoy a great meal together. Sundays are always a big favourite with the family with the Workies' tender traditional roasts for lunch and dinner, with your choice of succulent honey baked ham, or melt in your mouth boneless turkey, all available alongside the regular menu. All their roasts are accompanied by your choice from an extensive selection of roast vegetables.
