HUNTLEY BERRY FARM: (pick your own Berries)

The Huntley Berry Farm was established with the prime object of providing a 'pick your own' system of marketing a wide range of berries for the general public. The Berry Farm is set up as a Vocational Training Centre for disabled persons. Fresh fruit is available as well as fruit based wines, pure fruit jams and iceblocks. **(CASH ONLY – NO EFTPOS)**

HILLSIDE ORCHARD (pick your own Cherries):

The orchard offers all local fruit in season, including cherries and other fruits. Take a stroll through the orchard and pick your own cherries. Morning tea will also be served. **(CASH ONLY – NO EFTPOS)**

ORANGE MOUNTAIN WINERY (next door to the Hillside Orchard):

Out of all the Orange wineries, Orange Mountain Wines has been considered to be one of the most innovative. The grape variety Viognier is the cornerstone of the wines they produce. Viognier was first planted at their Manildra vineyard in 1999. It is a very old grape variety from the Rhone Valley, France, that was almost extinct as recently as 30 years ago. They are one of the few Orange Wineries who have successfully shown Viognier as a straight varietal, a co-fermented blend with Shiraz and as an ice wine style dessert wine. They also produce wines from Chardonnay, Pinot Noir, Merlot, Cabernet Sauvignon and Shiraz grapes, Liqueurs from apples and cherries and Verjus (a non-alcoholic cooking product), that is a perfect substitute to vinegar or even lemon juice in many dishes and summer salads

COOK PARK, ORANGE (free time):

Cook Park occupies 4.5 hectares of parkland in Summer Street and embodies the colours of Orange. In 1873 the site of Cook Park was proclaimed as a park and in 1882 was officially named in honour of Captain James Cook.

Cook Park was laid out with straight paths and rows of trees, with much of the original design still in place. Between February and May each year, hundreds of begonias bloom in the Blowes Conservatory. Other attractions are the historic trees dating back to the 1800s, duck ponds, aviaries, arts and craft shop, the fernery and glasshouse as well as many interesting plants.

LITHGOW WORKERS CLUB (pay for your own lunch):

The Workies offers quality dining in comfort, with something for everyone. Whether it's a lunchtime snack, or a hearty meal for the whole family, you will find your appetite satisfied at the Bistro, Cino's Cafe or Skewers. They offer good food, fast, to suit the needs of travellers and busy locals alike, and also provide the relaxed atmosphere for family and friends to enjoy a great meal together. Sundays are always a big favourite with the family with the Workies' tender traditional roasts for lunch and dinner, with your choice of succulent honey baked ham, or melt in your mouth boneless turkey, all available alongside the regular menu. All their roasts are accompanied by your choice from an extensive selection of roast vegetables.
