Vine Cottage Tool Museum

After 10 years of blood, sweat and tears Bob and Carol Dennis opened the Vine Cottage Tool Museum in 2011. Nestled deep in the heart of Castlereagh, part of the picturesque Macquarie Five Towns, Vine Cottage is part of the beautiful Munbilla Victorian property that was laboriously constructed over the past 3 decades by the Museum's curator, Bob Dennis. The Museum exhibits a wide and varied range of tradesman tools. On display are the most complete sets of authentic tools in Australia. The Cottage and its contents are part of the rich heritage of the Penrith Valley area.
