

THE UNSW STAFF SOCIAL CLUB

Based on the 1988 film with music and lyrics by David Yazbek and book by Jeffrey Lane, **Dirty Rotten Scoundrels** centres on two con men on the French Riviera. The first is the suave, sophisticated and successful Lawrence Jameson (**Tony Sheldon**), the other, a small-time crook named Freddy Benson (**Matt Hetherington**).

When Freddy threatens to expose Lawrence’s operation, Lawrence begrudgingly agrees to take him under his wing and tutor him in the 'art of the con'. The pair join forces and successfully work the Riviera until Freddy, frustrated by his apprentice ‘monkey boy’ role abandons the partnership and starts to compete with Lawrence, it soon becoming apparent that the small French town of Beumont sur Mer isn't big enough for the two of them. They agree on a bet, the first one to extract \$50,000 from a young female ‘soap’ heiress, Christine Colgate (**Amy Lehpamer**), wins and gets to stay, the other must leave town forever.

A hilarious battle of ‘cons’ ensues, that will keep you laughing, humming and guessing right to the end!
