ANTHONY WARLOW

Starring Anthony Warlow and produced by John Frost.

'After the famous film version what remains exciting about this iconic novel is its personal story of love, loss and dreams. The stage intensifies the personality of this story with the musical focusing on the people at its centre,' says John Frost.

One of the most breathtaking love stories ever told, DOCTOR ZHIVAGO will be directed by Broadway's Des McAnuff (Jersey Boys, Tommy), with music by Lucy Simon and lyrics by Michael Korie and Amy Powers.

'Anthony, commands a stage, a rare leading man - he gets behind the character and with that unique voice enriches the story being told. I knew in my heart that this was the man to tell my love story,' Lucy Simon said.
