

THE UNSW STAFF SOCIAL CLUB

Starring Melinda Schneider, who has dazzled with her dexterity on television's Dancing With The Stars and has put her country recording career on pause for a moment to indulge a passion that goes back decades. Her number one album Melinda Does Doris: A Tribute to Doris Day, spent nine weeks at number one on the ARIA charts and its success has spawned this brand new stage spectacular, featuring the songs and story of Hollywood's all-time greatest female box-office star, Doris Day.

A celebration of the life and times of one of the most incredible singers, actors and entertainers ever to grace the stage. Doris Day was much more than the girl next door. She was America's sweetheart, the number one box office attraction of all time and Hollywood Royalty. All Doris Day has ever wanted was to have a loving husband, stay at home and raise a family.
