

THE UNSW STAFF SOCIAL CLUB

HAIRSPRAY is a rare treat: a musical with a message. It says something that's important but says it with joy, energy and humour. We are all special and we are all different. **HAIRSPRAY** celebrates the differences, it will lift your spirits and fill your heart... So, welcome to the 60s and the musical with a heart as big as a beehive!

This all-Australian production of the multi-award winning Broadway musical is conceived and directed by show business legend **David Atkins** OAM and uses breathtaking, cutting-edge technology to transport audiences to a visually astonishing world where anything seems possible. With electric choreography by **Jason Coleman**, **HAIRSPRAY the Musical** is the theatrical experience of 2011 that will have you up on your feet dancing and stay with you long after you leave the theatre.

Don't miss **HAIRSPRAY**, winner of 30 major awards including: Tony Award for Best Musical (2003), Tony Award for Best Original Score (2003), Olivier Award for Best New Musical (2008) and a Grammy Award for Best Show Album (2002).
