12.30-1.30	Lunch at Illawarra Fly Tree Top
1.30-3.00	Guided walk of the Illawarra Fly Tree Top
5.30approx	Arrive UNSW

**Minnamurra Rainforest**

Minnamurra Rainforest Centre is a multi-award winning nature based destination, and is one of the best examples of subtropical and warm temperate rainforest that once covered vast areas of the Illawarra Region. This rainforest is situated in Budderoo National Park which is less than two hours drive south of Sydney, located 15 kilometres west of Kiama on the NSW South Coast.

The centre offers visitors the opportunity to experience the rainforest area via a network of raised walkways and paved tracks. The 'Loop Walk' is a 1.6 kilometre walk (45-minutes duration) which meanders through a diversity of rainforest types. The 2.6 kilometres (return) 'Falls Walk' will lead you safely along the canyon cliff edge to the Upper Minnamurra Falls. This walk is slightly more challenging and will require an additional one hour walk time

**Illawarra Fly Tree Top Walk – guided walk and lunch**

The Illawarra Fly Treetop Walk is the only walk of its kind in NSW and one of only a handful of elevated steel treetop walks in the world. An immersive nature experience, the walkway features two gently swaying cantilevered arms and a central tower raised nearly fifty metres off the forest floor. The stunning views take in everything from the rainforest floor into the canopy and out of the Pacific Ocean. Suitable for all ages and fitness levels, the Treetop Walk is a one of a kind experience that captures the unique beauty of the regions fauna and flora. Enjoy the unique views from the edge of the Illawarra Escarpment amongst the rainforest canopy, 25 meters above the ground. . We will be escorted by a guide.

One course lunch will be served (fish and chips). Own expense: dessert/drinks/tea or coffee.

Please advise if you have a dietary requirement.

Cost including: transportation from and to UNSW, Visit to both Minnamurra Rainforest and Illawarra Fly Tree Top, lunch and guided walk of the Illawarra Fly:
