Jamberoo Action Park

Action-packed rides and attractions.

Alpine Chairlift: Soar 300 meters up the mountain on the chairlift where the views from the top are stunning. On a clear day you can see as far as Kurnell to the north and Jervis Bay to the south.

Jamberoo Express: A trackless train that travels around the Park moving guests who would rather ride than walk. The Express picks you up from the Park entrance and takes you to all the major attractions.

Rapid River: Designed for families who want the excitement of a ride on rubber rafts around a 250 meter water course offering bucking rapids, half meter high waves, cascading waterfalls and an aboriginal grotto.

Landscape Golf: Have a round or two on the landscaped mini golf course. Try and beat par on this tricky course. It's great fun for the whole family, 18 Holes.

Thrill Rides

Bobsled: The perennial favourites. Two tracks, snake down the mountain where riders can reach high speeds on the experienced track. The second track caters for the less experienced riders – (children under 1.4m must be accompanied by an adult 16yrs or over).

Outback Bay: Catch the perfect wave at Outback Bay. This Wave Pool pumps out the swells. The latest multimillion dollar attraction is a giant 2.5 megalitre wave pool that is capable of pumping out waves of up to 1.5 meters. If catching a wave is not your scene, relax on the golden sand and watch the action – Children's lagoon.

Splash Out: Two giant body slides that twist and turn down the mountain and let you Splash Out into a pool at the end of the slides. Vertical Drop - 16m, 100m long (fast), 90m long (beginners), Pool depth - 1.2m.

Surf Hill: A speed slide that pumps 120 liters of water per second down a wave-like slide as riders achieve cheek stretching speeds in a race to the base! Vertical Drop.

The Rock: A five meter high launching pad into deep water. Certainly not for the faint hearted.

The Funnel Web: Get Bitten by the Funnel Web", the Longest, Biggest and most exhilarating new water thrill ride built in the World! Dare to enter Funnel Web's burrow with three of your friends for a heart stopping 30km an hour exhilarating ride, twisting and turning in darkness, before plunging into the "Funnel Web"... watch out that you don't "Get Bitten by the Funnel Web"! You'll experience multiple zero-gravity moments as your CLOVERleaf™ raft travels up and down the funnel, being sucked deep into the burrow, only to re-enter the darkness for one final twist and turn before splashing out "free at last" into the landing pool.

Kids Rides:

The following attractions are designed especially for toddlers to keep them happy and safe.

Billabong Beach - A special themed area just for young children. Watch them play in heated shallow pools and mini water slides, dodging jets of water from colourful, make-believe critters like Charlie the Croc, Percy the Pelican and Freddie Frog. The Settlers Shack is a real hit and like their own big aqua cubby house!

Kiddies Cove - Splash in the shallows of Outback Bay! Make friends with the colourful marine creatures including a whale, dolphin and seahorses, or climb aboard a mini-replica of the SS Jamberoo!

Mushroom Pool - A bright and colourful pool with lots of splash-out fun! Ride the mini water slide or get soaked under the giant, colourful mushroom waterfall.
The Park offers numerous food outlets, a licensed restaurant, burger hut, kiosk, coffee shop and gift shop as well as picnic areas.

Please Note: we have also booked a Picnic Shelter – so feel free to bring your picnic lunch.
