The swankiest new home-grown musical since Priscilla was queen, **Ladies in Black** is a whirling, toe-tapping trip back in time. Coming to the Sydney Lyric this January!

Sydney, 1959 - a city at the crossroads between the stuffy repression of the 1950s and the glorious liberation of the 1960s...Bright-eyed, bookish school leaver Lisa steps through the doors of the city's most prestigious department store, F.G. Goodes. A world of unknown possibilities opens up as she befriends the colourful denizens of the Ladies Cocktail Frocks Department – including her new mentor, the exotic Magda, mysterious mistress of Model Gowns.

With its irreverent humour and immense charm, **Ladies in Black** is a magical, modern-day fairy-tale sure to leave you singing long after you leave the theatre. Queensland Theatre Company has created a heartwarming adaptation of Madeleine St John's popular 1993 novel, *The Women in Black*.
