A visit to Madame Tussauds Wax Museum

Find out more about our nine amazing, interactive themed zones. From the wonderful world of history to the thrilling theatre of sport, to the glitz and glamour of music and film there is something for everybody to enjoy!

Millions and millions of people have flocked through the doors of Madame Tussauds since they first opened over 250 years ago and it remains just as popular as it ever was. There are many reasons for this enduring success, but at the heart of it all is good, old-fashioned curiosity. Today's visitors are sent on a unique, emotionally-charged journey through the realms of the powerful and famous. The museum-style ropes and poles have gone so guests can truly get up, close and personal with A-list celebrities, sporting legends, political heavyweights and historical icons, reliving the times, events and moments that made the world talk about them....
