Turns

A pantomime with a twist
Devised and written by Reg Livermore

Two icons of Australian theatre, NANCYE HAYES & REG LIVERMORE take to the stage in the world premiere tour of *Turns* - a reflection on identity, family, show business... and completely losing your marbles!

Pantomime star Marjory Joy is on her last legs (or is she?) As she reflects on a life spent in show business (or was it?) her son Alistair tries to understand this woman, all women - and to come to terms with one woman in particular...

Turns was especially created for these two stars, from the pen - and vivid imagination - of Reg Livermore himself. Let these two legends take you on a theatrical journey which will surprise and delight you, as Nancye & Reg do what they do best: sing, dance, make you laugh, and much, much more...

Turns brings together a kaleidoscope of theatrical styles to create a richly entertaining, whimsical, very funny and ultimately moving theatrical event. Don't miss it.
