

THE UNSW STAFF SOCIAL CLUB

WAR HORSE, based on the beloved novel by Michael Morpurgo, is a powerfully moving and imaginative drama, filled with stirring music and magnificent artistry. South Africa's Handspring Puppet Company brings breathing, galloping, full-scale horses to life on the stage — their flanks, hides and sinews built of steel, leather and aircraft cables. Experience the emotional journey that charges through the battlefields of history straight to hearts of audiences around the world.
